Dear Neighbor:

Hey, are we havin' fun yet?

Summer has arrived at Sea Pines. The Sunfish sailboats are starting to line up on the beach. Our Beach Committee is planning a Beach Party for July 8th. We have our Annual Tennis Tournament scheduled. (We need a few more entrants.) Our Annual "Golf Scramble" is scheduled. (We can use more participants.) In both cases, the sign-up sheets are on the clubhouse bulletin board.

Attached is a list of the recently appointed committee Chairpersons. They are all appointed and can use your help. Volunteer and lend a hand! Help my "communication theme" by joining a committee and meeting your neighbors.

Mike and Jeff are our maintenance staff. Say hello to them if they happen to slow down. Please don't ask them to handle personal problems, they work for our management agent, Mercantile Property Management, who assign their work schedule. Your "common area" concerns should be brought to the attention of our Grounds and Maintenance Committee for action.

--- ENJOY! ! ---
