

We're Inaugurating A New Event
For All Sea Pines Homeowners . . .

A REGULAR "SOCIAL HOUR"

EACH SATURDAY 5:30-6:30

The objective is simple: To provide all of our growing group of owners with the opportunity (but not the obligation) to come together once a week for an hour of sociability in the Club House.

Obviously all will not, nor cannot, come each time. But the opportunity will be there for those who wish to take advantage of it -- bringing any guests along of course.

We see this as a fine, easy way to meet our neighbors, and generally develop the friendly rapport that will be so important to the continuing success of our Sea Pines Community.

The 5:30-6:30 hour on Saturday was chosen so that it would not interfere with dinner or other plans for the evening.

One condition: Since we will never know how many to expect, as well as for budget reasons, each social hour must be on the basis of BYOB, "Bring Your Own Bottle."

However, hosts and hostesses -out of Association funds- will stock a reasonable supply of soft drinks, set-ups, ice and glasses. They will also provide whatever decor or theme suits the occasion.

Our first event will be on Saturday, October 22. Here are the hosts and hostesses for the first two Saturdays. Others please volunteer for future dates on the sign-up sheet in the Club House:

SAT. OCT. 22 Dorothy and Fred Price
 Margie and John Lobingier

SAT. OCT. 29 Audrey Scalley, Mary Earley
 and Billee Cathrew

Your ideas and suggestions will be welcome as we go along. Meanwhile, sure hope to see you at one or more or all of our Sea Pines Saturday socials!
