

April 14, 1993

Dear Neighbors:

March 27th was one of the best Spring Saturdays so far. Temperatures in the 60's; bright sunshine. People played tennis and walked or sat on the beach. The next day it was cloudy and rainy. Mother Nature is a tease!

The FMB board meeting went smoothly and finished its work in a record short meeting. The final well pump was installed and the pumps will be brought on line during the spring.

The Board agreed to use the same Phase nomination forms as last year to nominate homeowners to fill the various positions up for election. In addition, there is room on the form for those who would like to join or continue on those committees that fit their interests or skills.

Joining a committee at Sea Pines and nominating qualified members for Phase Board positions is the best way to assure that your voice is heard in the operation of Sea Pines. Only in this way will we continue to be one of the best condominium associations on the Cape.

Please fill out your Phase nomination sheet and mail it to Mercantile Property Management, using the addressed, stamped envelope by April 17th.

Enclosed is a list of our Phase Board members. Those circled for 1993 are candidates for re-election. Those circled in other years are openings due to resignations or death. Please feel free to pen notes to your Phase President on areas of interest and concern.

Our next meeting is April 24, 1993 at the Clubhouse at 8:30 a.m. Hope to see you then.

Regards,

Jim Fowler, Chairman F.M.B.
